## WELCOME TO THE PARTY!

Our team at Pitties & Purrs Rescue, Inc. works very hard each year to provide and maintain a positive impact in our community, state, and beyond. We work tirelessly to improve the lives of animals that have been deserted, unloved, and abused. It is our mission to rehabilitate, care for, and rehome these very deserving animals that we wholeheartedly welcome into our lives. Pitties & Purrs has served as a volunteer & foster-based rescue in our community for over **twelve years!** This is our biggest fundraiser of the year and we are **SO** grateful for each and every one of you for making this event and saving lives possible!

**Thank you for your support!**

Now it is time to enjoy an evening filled with great food, cold drinks, dancing and laughter! We have raffles to be won, a flower/liquor wheel to spin, and door prizes galore! Don't forget to pick up some new P&P merchandise!

## GRASSROOTS K9

“

All of the trainers here have helped to change mine and my dog's life for the positive! After adopting our dog we were feeling stressed and defeated with her reactivity and due to the work they did with us as owners and the fundamentals they helped to instill in our dog she is able to not just walk around other dogs without any difficulties but also play with a variety of dogs. I highly recommend grassroots to anyone with a dog!

# **A MESSAGE FROM OUR PRESIDENT**

Greetings everyone! Our annual "Pittie Party" was our number one fundraiser for the year. This year, we decided to change it up, a bit. We have changed our major event to Pitties & Purrs Birthday Bash!! We are very proud to have been around for 12 years!! Believe me, preparations start very early once we book the hall. There's lots of work to do. Selling tickets, securing donations for the raffles, and of course a sponsorship booklet, that was added last year, which was very popular with our supporters. All these things bring in much needed funds for the animals. Vet bills, food and supplies are very expensive. We take in many medical cases, which adds to our costs. Cardiologists, Ophthalmologists, Dermatologists, Internal Medicine, Orthopedic Surgeons with Physical Therapy just to name a few. We receive no funding. This is why we appreciate all of you, even more.

We come to you, our loyal supporters, to help us give these animals the best care. You never disappoint, always willing to selflessly give, making better each year. You are all amazing, and we just wanted you to know how very much you are appreciated.

Thank you so very much for helping us fight the war on animal abuse, neglect, and abandonment. You are our lifeline and our means to help these most grateful creatures.

We love you all, and hope that you will remain a constant source of comfort to all of our animals.

Hope to see you again this year

*Sincerely,*

**Mary Sullivan**
